

Hall Mills - 105,205(3)

and I hope that you will be one
of them to come and enjoy the summer
month from the heat. on some of the
hill near these lakes where you will
get the best of fresh air;

there is one large lake here where
it would be a beautiful spot for
a lungola or camp to be built
it is about fifty feet from the
highway. where you can step out
of a car and into a boat and cross
this lake to camp in ten minutes
now dont you think you would
like to spend the summer in a
place like that, now I will tell
you what to do get in touch with
your ladys friends. say about six or
eight. or even twelve. and have a talk
with them on the matter. see if
they wouldnt like to go in to
this. and put up enough money
to build a nice lungola or camp
